OrjaBox presents an innovative green energy-based food stall.

Space requirement:

- ❖ 8 ft x 8 ft semi open space (open space for solar cookers)
- ❖ 4 -5 hours sunlight availability
- ❖ Water and electricity connection

How it works?:

- ❖ OrjaBox installs and trains internal employee  
OR
- ❖ OrjaBox installs and runs the stall
- ❖ Operating hours 10:00 am to 5:00 pm

Benefits:

- ❖ Nutritious food options
- ❖ Promoting renewable energy
- ❖ Generating green employment
- ❖ Innovative activities and assignments

Demonstration option:

OrjaBox runs a 5 day demonstration at a minimal cost of INR 7500/- (This cost covers the transportation and manpower cost)

Employees can try cooking their own dishes on last two days of the demonstration activity.
