OrjaBox presents an innovative green energy-based livelihood project for self-help groups and individuals.

Space requirement:

- ❖ 10 ft x 12 ft semi open space (open space for solar cookers)
- ❖ 4 -5 hours sunlight availability
- ❖ Water and electricity connection

How it works?:

- ❖ OrjaBox installs and trains SHG members
- ❖ Operating hours 10:00 am to 5:00 pm

Benefits:

- ❖ Nutritious food options
- ❖ Promoting renewable energy
- ❖ Generating green employment
